

Buon Anno a tutti!

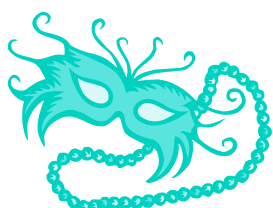

We hope that everyone had a relaxing and merry holiday break! And welcome to the year 2016. We're excited to bring in 2016 with a bunch of exciting Italian Club events!

Capodanno at the Italian Club 2015/2016

The Italian Club would like to thank everyone that made our New Year Function such a great success. We kick started the year off well with good food, great music and entertainment thanks to The Allegro Band. We also had a visit by the Minister of Multicultural Affairs, The Hon Peter Styles and some other guests.
